*Are you a good neighbor dog owner?*

Here are some good reasons to "Pick-Up After Your Dog:"

Dog feces and urine can result in lawn burn or dead patches. When it's your dog on your neighbor's lawn, it causes a great deal of hostility--toward you, and your dog. Eliminate it!

After a day of baking in the sun, the odor from dog feces can become offensive. Scoop it!

It can ruin a good pair of shoes. Grab it!

Community belongs to everyone, not just your dogs. Kids play on the grass, dog feces takes the joy out of outdoors activities. Bag it!

## Dinner and a Movie

### Tuesday, March 23rd

Come to the Greenwich Green clubhouse from 6pm to 8pm and enjoy some free food and prizes. We will have a vote on facebook to determine what movie we will see. If you have any nominations please let the front office know.

## BBQ at the Pool

### Friday, March 26th

Swing by the Greenwich Green pool, grab some food and start your weekend off right.

Everything will kick off at 2pm.

## Free Breakfast

### Tuesday, March 16th

It's hard enough to make it to work or class in the morning, so let us prepare breakfast for you. We will have fruit, juice, bagels and much more for you in the Greenwich Green clubhouse starting at 9am.

Don't have enough time to come by the office, we will also be handing out breakfast bags by the bus stop at the front of the property starting at 8am.
